# Uncle Giuseppe's

MARKETPLACE

# Our Story

In 2001, Uncle Giuseppe’s Marketplace opened its first location at 2330 Hempstead Turnpike in East Meadow, New York. Since then, we’ve grown to multiple locations, creating thousands of local jobs while keeping all the features our customers love. Uncle G’s includes a meat department with daily-made Italian sausage & prime cuts, a deli, fresh produce, an Italian bakery, a candy counter, seafood, a pasta room, & a cheese selection with hundreds of varieties, including our signature mozzarella machine imported from Italy. Every corner is designed to deliver an authentic shopping experience.

Shopping at Uncle Giuseppe’s is inspired by the way our grandparents shopped. We’ve combined that neighborhood market feel with a full-service supermarket so you can buy all your weekly groceries at competitive prices.

With traditional Italian recipes, high-quality ingredients, & friendly service, we make every visit enjoyable. Italian music, samples, & associates who treat you like family make your trip special.

At Uncle Giuseppe’s, we celebrate the joy of food. Whether it’s discovering a new favorite pasta, sampling fresh-baked pastries, choosing the perfect cut of meat, or picking out a specialty product you can’t find anywhere else, every visit is a chance to enjoy something special. Uncle Giuseppe’s is more than a supermarket. It’s an experience. From hand-rolled sushi to live lobsters & our homemade Italian specialties, every corner of the Marketplace is designed to delight. Stop by, eat, sing, & shop, knowing you are always welcome & treated like family. Mangia Bene!
